

ONW THESPIAN POINTS

- Inducted Junior Thespians automatically begin their high school careers with half of the points needed for high school Thespian induction.
- **One point represents approximately 10 hours of excellent work.** Use this formula in awarding points for items not specifically listed in the point system.
- To become a Thespian, a student must earn 10 points, the equivalent of 100 hours of work. Five of those points should be acquired at the school where he or she is to be inducted.
- Induction points should be earned through participation in at least two full-length productions, or one full-length and two one-acts, or four one-acts.
- Induction points should be earned in at least two of the listed categories, for example, acting and production
- Thespian membership is offered to all students who qualify. No student can be elected into the troupe, and no student can be denied membership if he or she has fulfilled all membership requirements.
